

Cable Protection Guard now available from Marshall-Tufflex

Marshall-Tufflex is pleased to introduce cable guard protection into our cable management product portfolio.

Cable guard is the perfect solution to protect cables from impacts and damage. Highly shock-resistant it is available in various sizes and is especially good at protecting cables running down telegraph poles and exposed brickwork.

- ⚡ Manufactured in high quality PVC-U for extra impact protection
- ⚡ Supplied with pre-drilled screw holes for easy installation
- ⚡ Lightweight and easily transported
- ⚡ Available in 5 different diameter sizes
