

# DECORATIVE 13A FUSED CONNECTION UNIT

## PRODUCT DESCRIPTION

Crabtree FCUs offer a consistent and stylish design across 3 decorative ranges with a variety of finishing options. The switching modules are available in black and white with the additional selection of neon light indicator and flex cord outlet (allows up to 10mm diameter cable) integrated at the front of the accessory. The fuse carrier requires a tool to remove and can be padlocked in the open position, a safety feature for the purpose of site maintenance. Fuse is located on the line side with a BS1362 fuse link.

## BRITISH STANDARDS

- All Crabtree 13A sockets have been type tested to BS 1363-4

## TECHNICAL SPECIFICATION

Product Standard:	BS 13163-4
Voltage:	250V AC 50Hz
