

DECORATIVE SHAVER SUPPLY UNIT

PRODUCT DESCRIPTION

Same plate specification as standard twin socket, output of either 115V 50Hz or 230V 50Hz. The simple yet elegant design of Crabtree's shaver supply units complement installations with suitability and style. All have been tested to British Standards ensuring optimal safety for use in bathrooms. Complete assemblies are available in a variety of plate finishes and black or white socket interiors

BRITISH STANDARDS

- All Crabtree Shaver Supply Units have been type tested to BS 61558-2-5
 - BS 61558-2-5 Safety of transformers, reactors, power supply units and combinations thereof
- Particular requirements and tests for transformers & power supply units for shavers and shaver units
