

MK ESSENTIALS FLOORBOX

DESIGNED FOR VALUE

GET THE ESSENTIALS RIGHT WITH MK ESSENTIALS FLOORBOX

BACKED BY MK'S 5 YEAR GUARANTEE
Quality comes as standard, with the reliability
and performance you'd expect from MK.

INTRODUCING THE MK ESSENTIALS FLOORBOX. A VALUE RANGE WHERE QUALITY COUNTS.

DESIGNED FOR SMALLER BUDGETS

Low price shouldn't mean low quality. Whether it's a commercial office or an educational facility, the MK Essentials Floorbox delivers a versatile solution at prices that are impossible to ignore.

DESIGNED FOR TRUSTED RELIABILITY

With the quality and performance you'd expect from MK, robust construction, tested to accept a 3,000N load and backed by a 5-year quality guarantee. A solution you, and the end user, can trust.

DESIGNED FOR INSTALLERS FIRST

Readily available and distributed nationally, the MK Essentials Floorbox comes with flange fixings, an adjustable self-levelling ratchet system and side knockouts to provide a quick and easy installation. A perfect fit every time.

DESIGNED FOR FLEXIBLE FUNCTIONALITY

One box, three compartments, multiple accessory plates. Configure your MK Essentials Floorbox with power and/or data to suit end-user needs. Featuring a reversible lid and tool-free frame release for ease and convenience when changing floor layouts.

TESTED TO EN50085-2-2 TO
ACCEPT 3000N LOAD

PRODUCT SELECTOR

The MK Essentials Floorbox is ideal for use in commercial offices, education facilities or any other environment requiring underfloor access to power and/or data.

Simply order your three compartment floorbox and select accompanying accessory plates from the practical range below.
