MULTI-WIRE AND/OR STRANDS IN CAPITALS																																										
Primary Range	Hartland																																									
Insert Type	1 gang RJ12 Outlet - Unshielded																																									
Plate Finish	Hartland Box Bright Chrome																																									
Insert Colour	Black																																									
EAN13 Barcode	5028690271710																																									
Dimensions (Nominal)	Single: Height = 88.0mm Width = 88.0mm Depth = 5.0mm																																									
Fixing Hole Centres	Box Fixing = 60.3mm Grid Fixing = N/A																																									
Minimum Wall Box Depth	35mm																																									
Switched Poles	N/A																																									
IP Rating	IP2XD																																									
Contact Gap Minimum	N/A																																									
Earth Terminal Capacity 1	5 x 1mm ²																																									
Earth Terminal Capacity 2	4 x 1.5mm ²																																									
Earth Terminal Capacity 3	3 x 2.5mm ²																																									
Earth Terminal Capacity 4	1 x 4mm ² Multi-strand																																									
Earth Terminal Capacity 5	1 x 6mm ²																																									
Product Class 1	Must be earthed (ref BS7671 415.2.1)																																									
Ambient Operating Temperature	-5° to +40°C																																									
Recommended Location	Internal Use Only																																									
Maximum Installation Altitude	2000m																																									
EuroFix Additional Notes	Can be used as either RJ11 (4 wires) or RJ12 (6 wires)																																									
Patents and Trademarks	Hartland is a Registered Trade Mark No. 2344778																																									
All products listed conform to current British or European standard and the product information is correct at the time of going to press.
