Primary Range	Linea-Perlina CFX																																														
Insert Type	2 gang RJ45 CAT 5E Outlet - Unshielded																																														
Plate Finish	Linea-Perlina CFX Antique Brass Frame/Polished Brass																																														
Insert Colour	Black																																														
EAN13 Barcode	5017504841584																																														
Dimensions (Nominal)	Single: Height = 92.0mm Width = 92.0mm Depth = 4.0mm																																														
Fixing Hole Centres	Box Fixing = 60.3mm Grid Fixing = CFX Clips																																														
Minimum Wall Box Depth	35mm																																														
Switched Poles	N/A																																														
IP Rating	IP2XD																																														
Contact Gap Minimum	N/A																																														
Earth Terminal Capacity 1	5 x 1mm ²																																														
Earth Terminal Capacity 2	4 x 1.5mm ²																																														
Earth Terminal Capacity 3	3 x 2.5mm ²																																														
Earth Terminal Capacity 4	1 x 4mm ² Multi-strand																																														
Earth Terminal Capacity 5	1 x 6mm ²																																														
Product Class 1	Must be earthed (ref BS7671 415.2.1)																																														
Ambient Operating Temperature	-5° to +40°C																																														
Recommended Location	Internal Use Only																																														
Maximum Installation Altitude	2000m																																														
EuroFix Additional Notes	Can be used in both EIA 568A and EIA 568B wiring schedules
