Primary Range	Perception CFX																																														
Insert Type	1 gang RJ12 Outlet - Unshielded																																														
Plate Finish	Perception CFX Clear																																														
Insert Colour	Black																																														
EAN13 Barcode	5017504021887																																														
Dimensions (Nominal)	Single: Height = 86.0mm Width = 86.0mm Depth = 4.0mm																																														
Fixing Hole Centres	Box Fixing = 60.3mm Grid Fixing = CFX Push																																														
Minimum Wall Box Depth	35mm																																														
Switched Poles	N/A																																														
IP Rating	IP2XD																																														
Contact Gap Minimum	N/A																																														
Earth Terminal Capacity 1	5 x 1mm ²																																														
Earth Terminal Capacity 2	4 x 1.5mm ²																																														
Earth Terminal Capacity 3	3 x 2.5mm ²																																														
Earth Terminal Capacity 4	1 x 4mm ² Multi-strand																																														
Earth Terminal Capacity 5	1 x 6mm ²																																														
Product Class 1	Must be earthed (ref BS7671 415.2.1)																																														
Ambient Operating Temperature	-5° to +40°C																																														
Recommended Location	Internal Use Only																																														
Maximum Installation Altitude	2000m																																														
EuroFix Additional Notes	Can be used as either RJ11 (4 wires) or RJ12 (6 wires)																																														
Patents and Trademarks	Perception is a Registered Trade Mark No 2560269 CFX is a Registered Trade Mark No 2398667																																														
All products listed conform to current British or European standard and the product information is correct at the time of going to press.
