Primary Range	Woods																																																							
Insert Type	2 gang RJ12 Outlet - Unshielded																																																							
Plate Finish	Woods Chamfered Medium Oak																																																							
Insert Colour	White																																																							
EAN13 Barcode	5017504910563																																																							
Dimensions (Nominal)	Single: Height = 88.0mm Width = 88.0mm Depth = 13.5mm																																																							
Fixing Hole Centres	Box Fixing = 60.3mm Grid Fixing = N/A																																																							
Minimum Wall Box Depth	35mm																																																							
Switched Poles	N/A																																																							
IP Rating	IP2XD																																																							
Contact Gap Minimum	N/A																																																							
Earth Terminal Capacity 1	5 x 1mm ²																																																							
Earth Terminal Capacity 2	4 x 1.5mm ²																																																							
Earth Terminal Capacity 3	3 x 2.5mm ²																																																							
Earth Terminal Capacity 4	1 x 4mm ² Multi-strand																																																							
Earth Terminal Capacity 5	1 x 6mm ²																																																							
Product Class 1	Must be earthed (ref BS7671 415.2.1)																																																							
Ambient Operating Temperature	-5° to +40°C																																																							
Recommended Location	Internal Use Only																																																							
Maximum Installation Altitude	2000m																																																							
EuroFix Additional Notes	Can be used as either RJ11 (4 wires) or RJ12 (6 wires)																																																							
All products listed conform to current British or European standard and the product information is correct at the time of going to press.	All accessories are manufactured under an accredited BS EN ISO 9001 : 2015 Quality Management System.	It is the policy of the company to improve products as part of our development programme. Therefore, we reserve the right to alter designs and dimensions without prior notice.
