Housing Unit with Integrated LED Tray

Design | Performance & Simplicity

With Integrated LED Tray :

Polycarbonate Cover

Constructed from virgin Polycarbonate by **BAYER**, achieving a high transmittance rating of **75%** and vandal resistance rating of **IK10**

On-board Emergency Circuit

This technology minimises the space required for the emergency module and battery (patent pending) allowing for a slimmer style fitting

Push-Wire Connector

Comes with 4-way push-wire connector for fast installation

Anti-tamper Screws (optional)

Anti-tamper screws are available as optional accessories

Clip-on Ring Attachment

These easy to use clip-on rings offer flexibility and an attractive range of styles to choose from

ESSENTIAL

For day to day applications

Standard | 12W 4000K 1120lm

Maintained Emergency | 12W 4000K 1120lm

Clip-on Ring Attachments | Eyelid, White, Chrome or Brass

A simple range of bulkheads suitable for the majority of day to day applications
