the smart choice*

New OCTO WiZ Connected Products  
The complete **smart lighting solution** from Ansell Lighting

New additions to OCTO WiZ Connected eco-system...

GU10 Smart Lamp

Create the perfect mood in your home with millions of colours using the OCTO WiZ Smart GU10 LED lamp

Smart UK Plug

OCTO WiZ wireless Smart Plug lets you control your home from anywhere. Simply plug the WiZ Smart Plug into a socket, plug your device, such as lamps, fans, coffee makers

Smart Sensor

Customisable sensor allows you to select what happens when it either detects or stops detecting motion as well as letting you customise how long to wait before adjusting your lighting

Smart Remote

Compatible with all existing WiZ lights, the WiZmote has a range of 30m (line of sight). It's also capable of taking charge of your lamps without an internet connection

Other OCTO WiZ Connected Products...
