

ADK320W/24V

LED Driver - Voltage Current Non-Dimmable 24V 320W

Features

Constant voltage non-dimmable drivers for 24V LED applications.

Thermal, short circuit and overload protection.

General Information

Colour / Finish Aluminium

IP Rating IP67

Class Protection 2

Internal / External Internal

CE Mark Yes

Length (mm) 249 mm

Width (mm) 70 mm

Height (mm) 40 mm

Technical Information

Wattage 320W

Operating Temp -20°C - 40°C
